*I am the owner, or I am authorized by the owner, to submit this request for a Small Farms Overlay. I grant permission for public officials or their representatives to enter the subject property, if necessary, for the purpose of site inspection. I understand that this application is for a Small Farms Overlay only, and that future development of this property will vest based on the date that a 'Determination of Completeness' is made on a formal land use application. I also understand that granting of the overlay zone or comprehensive plan designation will not change the underlying zoning designation or restrict the right to later develop my property.*
